

WATER MANAGEMENT SERVICES, INC.  
WATER TARIFF

**APPLICATION FOR WATER SERVICE  
RESIDENTIAL AND GENERAL WATER SERVICE AGREEMENT**

This agreement is between Water Management Services, Inc., (the "Utility") and  
\_\_\_\_\_, (the "Customer").

Print Name Here

In consideration of the mutual covenants in this agreement, the Utility agrees to furnish water to the  
Customer for \_\_\_\_\_ (choose one: residential, multi-family, commercial or public  
authority) use at the following service location \_\_\_\_\_

Street Address of Service Location

Lot

Block Number

Subdivision

\_\_\_\_\_

The Customer shall install and maintain at his own expense the service line which shall begin at the property line and extend to the dwelling. The Customer must provide evidence that a structure is or will be present at the service location. Evidence may include a building permit, or the installation of any device capable of delivering water, such as a faucet on the property. The device must be inspected and approved by the Utility. A meter will not be placed on the property until the evidence is produced. The Customer shall pay for such water service at the rates in effect as of the date of this agreement.

The minimum charge per month is the base facility charge for the respective meter size. This charge covers the availability of water service, and accordingly continues to accrue whether the Customer has any device capable of delivering water, whether water service is connected or disconnected. All base facility charges must be paid prior to service being reconnected at the same location.

The Utility will purchase and install a water meter with a cut-off valve in each service. The meter is the exclusive property of the Utility and the Customer shall not tamper with the meter. The Utility shall have exclusive right to use of such cut-off valve and to turn it on and off according to the rules and regulations of the Utility. If the Customer wants the use of a cut-off valve, it must be installed in the Customer's water line on Customer's side of the meter and at Customer's expense. The Utility shall have the right to install the service line of the meter on the property of the Customer.

The Utility shall have final jurisdiction in any question of location of any service line connection to its distribution system; may shut off the water to a Customer who tampers with the meter or who allows a connection or extension to be made on his service line or the meter on the property of the Customer.

The Utility shall have final jurisdiction in any question of location of any service line connection to its distribution system; may shut off the water to a Customer who tampers with the meter or who allows a connection or extension to be made on his service line or the meter on the property of the Customer. The Customer will pay the cost of extending the line from the meter to the edge of the Customer's property if the Utility's service line is not already adjacent to the property line as well as all line extension expenses from the edge of the property to the Customer's residence.

The failure of a Customer to pay water and service charges duly imposed shall result in the automatic imposition of the following policies:
